## RETIREE HEALTH INSURANCE

---

Qualifications a retiree must meet to obtain group health, dental and/or vision insurance:

1. An employee who retires from the Town of DeWitt directly into the New York State and Local Retirement System (ERS), with either ten years of credited service with the Town of DeWitt and is sixty two years of age, or twenty years of credited service with the Town of DeWitt and is fifty-five years of age, may continue health coverage by paying the same amount of premium contribution as an active employee.
2. An employee retiring with family health coverage may maintain family coverage or change to individual coverage at any time.
3. An employee that retires with individual health coverage may change to family coverage by paying the difference between the monthly premium that the Town pays for family and individual health coverage.
4. An employee who has been approved for New York State Disability Retirement prior to the age of fifty-five with twenty years of credited service with the Town may continue individual or family health coverage by paying one-half of the employee's monthly premium, rounded up to the nearest whole dollar.
5. An employee who has been approved for New York State disability retirement but does not meet the age and service criteria may continue health, dental and or vision coverage by paying 100% of the applicable premium.
6. Dental and vision insurance is available to retirees who retire after February 28, 1987. The retiree must pay 100% of the monthly premium that is paid by the Town.
7. A surviving spouse of a qualified retiree may continue individual health coverage by paying 100% of the monthly premium that is paid by the Town.
8. An employee who retires from the town into ERS but does not qualify as to the age or years of service criteria may continue health, dental and/or vision coverage by paying 100% of the applicable monthly premium that the Town pays to its insurance carriers.
9. Any retiree or a dependent of a retiree who is eligible for health, dental and/or vision insurance through any other employer and/or group sponsored plan(s) must enroll in those plan(s).
10. Continuous coverage is not automatic and a retiree must re-apply to the Town for health, dental and/or vision benefits each year.
11. A retiree who withdraws from the Town's health, dental and/or vision plan(s), then wishes to reapply may re-enter at the same status that existed at the retiree's date of retirement.
